Dear Judiciary Committee:

When i speak for myself, Connecticut has been headed in an out of control downward spiral for too long. The constituents of this state are extremely divided on every issue at hand. Why? Because our elected officials in Hartford are powerless to do anything that has any great positive & lasting effect. It seems the goal is to propogate division then offer poor solutions. Arguably no one can make 100% of the people happy 100% of the time.

Prove me wrong or just become part of these lasting problems? Fact is Connecticut is soft on criminals, high on taxes and drunk with corruption.

Another set of new bills against law abiding citizens just emphasizes my last statements. In Connecticut the citizens 2nd amendment rights have been scrutinized, politicized and infringed upon. Too few of our elected officials actually feel this way. Why? I implore you to stand against our Governor, these proposed bills, and remember why you wanted to be elected into these positions.

Stand up for our CONSTITUTIONAL RIGHTS! STARTING RIGHT HERE IN THE CONSTITUTION STATE!

I thank you for your time.

Sincerely,
Pete Russell
